

This family-friendly event combines construction demonstrations, lectures on preservation topics, a showcase of historic neighborhoods, Realtors with historic listings, architects, food trucks, music, hand-crafted items, and construction-related activities for children.

Restoration Marketplace will be held on Saturday, October 23, 2021, at Thistle Hill, 1509 Pennsylvania Avenue, and it begins at 8:30 sharp with the ever-popular **Rodeo Run**. Registrations for the run will be available online starting August 1, and at Thistle Hill at 7:30 a.m. the morning of the race. The **Restoration Marketplace** opens immediately after the race ends and closes at 5:00 p.m. Drop in anytime throughout the day to see demonstrations by artisans and craftsmen, and lectures on restoration topics.

We invite you or your business to sponsor this dual event that has the potential to attract audiences from near and far. Your sponsorship will make it possible for those who attend to learn free of charge from the ideas and information at the **Restoration Marketplace**.
